

**PUBLIC NOTICE
OF THE PREPARATION OF AN ENVIRONMENTAL ASSESSMENT
FOR THE 51 AREA (SAN ONOFRE) RESERVOIR REPAIR
AT MARINE CORPS BASE CAMP PENDLETON, SAN DIEGO COUNTY,
CALIFORNIA**

In accordance with the National Environmental Policy Act (NEPA) of 1969, 42 United States Code (USC) §§ 4321-4370h, as implemented by the Council on Environmental Quality (CEQ) regulations, 40 Code of Federal Regulations (CFR) Parts 1500-1508, and Marine Corps Order (MCO) P5090.2A, Change 2, Chapter 12, dated 21 May 2009, Environmental Compliance and Protection Manual, an Environmental Assessment (EA) for the above named project is being prepared that identifies and evaluates the environmental effects of the proposed action.

The proposed action is the repair of a reservoir in the 51 Area on Marine Corps Base Camp Pendleton (MCBCP). Specifically, the proposed action would include the repair of concrete drainage channels, cleaning the existing drainage lines, repairing and clearing drainage in the San Onofre housing area, repairing reservoir 51772 drain line, construction of a retaining wall, temporary access road, and restoration of the site within the 51 Area located in the northwestern portion of the Base.

Further information about the proposed action or the NEPA process is available by contacting the USMC Point-of-Contact listed below.
